Sustainability, Coal and CIMFR's Role

28th February, 2017, 11 am

CSIR-CIMFR Auditorium, Dhanbad

Director, CSIR-CIMFR shall chair the lecture session

ABOUT THE SPEAKER

Prof. Runa Sarkar is a Professor with the Economics Group at the Indian Institute of Management Calcutta. Prior to this, she taught at IIT Kanpur. She is the chairperson of CTran Consulting Services, a leading climate change consulting business in India and serves on the board of the Basix Social Enterprise Group and Basix Consulting and Technology Services.

Prof. Sarkar has been one of the co-editors of the India Infrastructure Reports (IIR) - 2009 and 2010, published by the 3i network. She, along with Prof. Anup Sinha of IIM Calcutta, is the co-author of a book titled Another Development: Participation, Empowerment and Well-being, published by Routledge in early 2015. Two of her books are forthcoming to be published by Oxford and Springer. Prof. Sarkar also acted as the Guest Editor of a special issue of Springer journal Decision on Water Energy and Food.
