The rules and other statutory obligation in regard to their wages, the welfare measures and safety of labour etc. will also be deemed on the part of the contractor. Besides the contractor shall take responsibility for obtaining necessary labour license from Central/ State/ Local Authorities as the case may be. The contractor shall also ensure payment of statutory contributions as per GOI rule.

6.2 The contractor shall confirm in all respects with the provision of any such statute, ordinance of law as aforesaid and the Rules, Regulations and Bye-laws of any local or other duly constituted authority, which may be applicable to the contracts and with such rules and regulations of Public Bodies as aforesaid and shall keep the Company/firm indemnified against all penalties and liability of every kind for breach of any such statute, Ordinance, Law, Rules, Regulations or Bye-laws.

6.3 The contractor shall abide by the instructions issued by the Principal Employer from time to time in this connection.

6.4 In the event of failing to discharge obligations required to be complied by the Contractor by or under any statute, the Principal Employer or the Employer will be entitled to rescind the contract at the sole risk and cost of the Contractor and /or recover from him/her, the amount of loss sustained by the Principal Employer on this account.

6.5 The Contractor shall be responsible for the good conduct of his/her employees. All payments to his/her employees/workers are required to be made by the Contractor in the first week of the following month completed through the Bank Account of every individual in Nationalize bank. The Contractor shall submit the bank statement/ UTR No. after making the payment of wage through e-payment mode (NEFT/RTGS/ IMPS) along with his monthly bill for reimbursement.

6.6 The contractor shall maintain the records and registers in respect of workers employed by him/her as required under various Statutes and/or is instructed by the Principal Employer from time to time and shall produce the same for verification on demand from the any Authorities concerned or his/her authorized representative.

7.0 INDEMNITY

7.1 The contractor shall assume the liabilities for the Principal Employer or Employer and wholly indemnify against all cases of suits, claims, costs, damages, charges and expenses arising out of or in

connection with carrying out of the work to which this contract relates whether such cases/suits or claims are brought by the members of public, neighboring owners of any premises or by any other affected party or workmen employed by the contractor on the work by the workmen(s) representative(s).

8.0 **DECISIONS/AWARDS:**

8.1 The Contractor shall abide by the decisions/recommendations/awards by the Courts/awards by the Courts/Labour courts/Industrial Tribunal/Wage Board/Commission appointed by the appropriate Government and shall secure implementation from time to time and maintain such relevant records and registers as are to be maintained under these legislation/awards/decisions and produce the same before the authorized agency or representative of the Principal Employer or the Employer as and when required.

9.0 **WAGES:**

9.1 The Contractor shall make only those deductions from the Wages of the workers which are applicable as per applicable GOI notification time to time.

9.2 The Contractor shall ensure that all payment of minimum wages including V.D.A, EPF, ESI, etc. to the workers, absolving the Principal Employer in all respect.

9.3 GST, as applicable, will be reimbursed subject to production challan thereof.

10.0 **TOOLS, TACKES AND EQUIPMENT:**

10.1 The contractor is required to provide, tools, tackles, equipment required in this connection with the execution of his contract during the operation of the contract. This office will provide consumable materials for Cleaning in case non availability of consumable materials the contractor shall manage the same and claim this amount as per actual in the monthly bill.

11.0 **SUPERVISION :**

11.1 The Contractor has to engage his own Supervisors for proper supervision of the job and to execute job as per the instructions of the concerned department from time to time.

12.0 **SAFETY:**

12.1 The Contractor shall take all safety precautions and provide adequate supervision in order to do the job safely and without any damage.

12.2 The Contractor will start the work after Agreement for contract and job instructions from the competent authority of the Institute.

12.3 Where there are hazards, the contractor shall ensure that clearance has been taken before sending workers in such locations.

12.4 In case of injury to persons, the contractor shall first take the injured person to the nearest health center or Registered Medical Practitioner and arrange substitute for the same. He shall maintain First Aid Box for emergency situation at working site

12.5 In no case, the contractors or injured person are allowed to make any claim on the Principal Employer or Employer towards the expenditure incurred on this account and on account of provisions made in the preceding clause.

12.6 The contractor shall abide by the provisions of Labour related Act, as applicable to respect states, workmen's compensation Act. Payment of wages Act. Inter-State migrant workmen (RECS) Act, Contract Labour (Regulation and Abolition) Act, Minimum Wages Act, Equal Remuneration Act, Child Labour Act, Maternity Benefit Act, EPF Act, etc. as may be applicable and the rules framed there under and keep the Company indemnified from any liability under the provisions of the above acts and rules therein.

12.7 The Contractor shall be fully, responsible for accident caused due to his Agent's or workmen's negligence or carelessness in regard to the observance of the Safety requirement in any manner and shall be liable to pay compensation for injuries or deaths with absolutely no liability on the Principal Employer or Employer under workmen compensation act or any other act enacted by Central or State Government.

12.8 The Principal Employer or his/her representative will assess the penalty amount for forced stoppage of work as stated in para 12.8 having regard to all the circumstances, in particular, the nature are gravity of the violation. After issuing a notice to the Contractor to show cause why the amount specified therein should not be imposed as penalty and after considering the written cause shown by the Contractor, if any, the Principal Employer shall pass final order which shall then be final and binding on the Contractor. The penalty amount shall be recovered from any bill and /or EMD/SD of the Contractor without any further reference to him/her.

13.0 **TERMINATION :**

13.1 Any unauthorized removal or possessing of any of the Company's properties by the Contractor, its Agent, servants and or employees shall be deemed to be a malpractice. Further, if the contractor or his employee or Agent / representative is found guilty of theft during the course of carrying out of the Contract resulting from the acceptance of his tender, the contract will be terminated without any notice and the Security Deposit will be forfeited without prejudice to any other action which the

Company may take under law. Such Contractors are liable to be blacklisted from allotment of work in any other unit of CSIR-CIMFR.

13.2 In case, it is found that the Contractor is not discharging the duties to the satisfaction of the Principal Employer/Employer and there is a breach of terms and conditions on part of the contractor, the Employer shall be at liberty to terminate the contract by giving the contractor one month's notice in writing. All expenses incurred by the management in finding out alternative arrangement for execution of the job and execution thereof by new contractor shall be deducted from any amount payable to the contractor or can be recovered from the contractor by any other form. Any advance payment made by the company to the contractor prior to such termination will be refunded by the contractor on termination or else will be adjusted against the Security deposit.

13.3 The Employer reserves the right to terminate the contract in full or part and also to withdraw one or more sources from one party and assign the same to other party at the same rate.

14.0 **FORCE MAJEURE:**

14.1 If at any time during the continuance of the contract the performance in whole or in part by either party of any obligation under this contract shall be prevented or delayed by reasons of any war/ Civil commotion/sabotage/floods/explosion or act of God, provided notice of happening of any such event with documentary evidence is given by either party to the other within fifteen days from the date of occurrence thereof, neither party shall be by reason of such events, entitled to terminate the contract nor shall either party have any claims for damages against the other in respect of non performance or delay in performance and the work/ job under contract shall resumed after such events has ceased to exist.

If the contract is suspended by the occurrence of the event of force majeure for the period of more than 45 days the subject matter shall be mutually discussed by the Principal Employer and contractor. The decision of the Employer in this regards shall be final and binding on the contractor.

CSIR Touching Lives
