

<p>Project title: Advice on Review of Mining Plan of Jyoti Pahari Kyanite Mine</p> <p>Project No.: CNP/4843/2019-20</p>	<p>Executive Summary:</p> <p>The Mining Lease for Jyoti Pahari Kyanite Mine was granted over an extent of 20.331 hectares (ha) in Jyoti Pahari village, East Singhbhum district, in favour of Jharkhand State Mineral Development Corporation Limited on 19.08.1984 for a period of twenty years up to 18.08.2004. The lease period has been extended up to 18.08.2034 as per the Supplementary lease deed executed on 25.07.2017.</p> <p>However, the mine is not in operation since 07.06.2012 due to order of suspension of mining operation under Rule 13(2) of MCDR, 1988 by Indian Bureau of Mines (IBM). Further, Scheme of Mining for the period of 2014-15 to 2018-19 was approved on 28.08.2015. But, the mine could not be operated till date due to want of Environmental Clearance from Jharkhand State Environmental Impact Assessment Authority. Moreover, the Scheme of Mining has been expired on 31st March 2019.</p> <p>Hence, Review of Scheme of Mining along with Progressive Mine Closure Plan has been prepared with the proposal of next 5 years, 2019-20 to 2023-24. Review of Mining Scheme covered year-wise mine development plan, production and equipment details, waste disposal and management plan, progressive mine closure plan and fund requirement for different management activities, risk assessment and management plan, financial assurance requirement, etc.</p>
