

## Swachhta Message

Cleanliness is most important for physical well-being and a healthy environment. Mahatma Gandhi said "Sanitation is more important than independence". He made cleanliness and sanitation an integral part of the Gandhian way of living. His dream was total sanitation for all. Cleanliness is not only the responsibility of the 'Safai Karmi' (sanitation worker) or local government. It is the responsibility of the Government officers, NGOs and the local community to make India completely clean. Gandhiji said, "So long as you do not take the broom and the bucket in your hands, you cannot make your towns and cities clean." When he inspected a model school, he told the teachers: "You will make your institution ideal, if besides giving the students literary education, you have made cooks and sweepers of them".

We CSIR-CIMFR family should play active role in cleaning our campus (office & Colony) and its surrounding areas. It's a need of the present; all the people should actively participate to clean India to fulfil the dream of Mahatma Gandhi and Swachh Bharat Mission for the protection of our future."
